Dear Mr Vijayakumar,

This has reference to your application **MATT37** for an IASc-INSA-NASI Summer Research Fellowship in 2025. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. You will be working with Dr Kiran Kumari, Indian Institute of Science, Bengaluru (e-mail: kirank@iisc.ac.in).

We have tried as far as practicable to assign you to a guide who works in your area of interest. **Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.**

This Fellowship is subject to the following norms:

- The duration of the Fellowship **is eight weeks (56 days – including Sundays and General Holidays), and is not to be reduced. If you do not complete this requirement, you will not be paid the fellowship amount and the certificate that is usually issued on completion.**
- You will be provided a II-tier A/c train fare of the shortest route from Sagara/Kalaburagi to IISc, Bengaluru and back.
- You will be paid a Fellowship of Rs.18,750/- per month towards your boarding, lodging, local transport expenses*.
- The Academy will arrange accommodation at its Fellows Residency in Bengaluru for about 150 summer fellows on first come first serve basis. The charges for the accommodation would be Rs. 3,000/- per month with triple occupancy. Food will be arranged on actual payment basis at the Residency. A private local transporter will offer pick-up and drop services from/to Fellows Residency on payment basis. Residents of Fellows Residency must use these facilities.

Please also go through carefully & comply with all the Instructions given in the attached sheet.

You are advised to get in touch with Dr Kumari immediately to work out the exact period of your visit. In the meantime, please communicate with Mrs M S Roopashri, Coordinator, Science Education Program, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.

We urge you to convey your acceptance of this Fellowship within 7 days by both online (the userid and password given at the bottom of the email) as well as by returning the Form of Acceptance posted to you. Even if you are not able to accept the Fellowship, this should be communicated to the Academy immediately (both by email: jointsrf@ias.ac.in with a cc to your guide; and in the Form of Acceptance) so that the Fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,
